

R/BI/3 Deposit by the Royal Pharmaceutical Society Acc 1845

The name inside the front cover of this volume is: D R Thomas, Neuadd, Taliesin, Glandoverly RSO [Cardiganshire]. The RPS registers show a David Robert Thomas, who left his practice in London in 1881 and moved to Taliesin. However, the addresses in the prescription book, where given, are in NW Radnorshire – for example, Abbey Cwm-hir, Llandegley, Llanddewi, Llanbadarn, which suggests a business in the Llandrindod Wells area.
