

**FINAL REPORT**

**Proposed Solar S17 superimposed to show cumulative issues with onshore wind SSA and installed and proposed wind farms**

**W2.2 Central Powys**

The proposed Solar LSA 17 has been outlined in black (approximately)

1. It fits tightly like a piece of jigsaw between the South Powys Wind SSA and the Llandinam windfarm
2. It is entirely with restricted air space
3. Culminative issues +++++
4. Glyndwrs Way passes through the LSA
5. Includes ancient woodland, commonland, CROW dedicated, open country, visually sensitive areas.
