Importance: High

Dear Peter,

Thank you for your email. The Inspector has advised that the proposed amendment is fine and has asked that the Council ensure that the change is included in the MACs and that we include these emails agreeing the changes as exam docs, which I will attend to.

Kind regards,

Tracey,

In undertaking the HRA for the MACs we have taken another look at Appendix 3 and consider that a further recommendation is made to amend Appendix 3 of the LDP (previously appendix 4 of LDP42) to list the European Sites in a similar manner to the appendix relating to the historic / built environment. I've attached a copy and would be grateful if you could confirm with the Inspector that this is acceptable.

Thanks,
Peter
