

RESPONSE FROM THE CAMBRIAN MOUNTAINS SOCIETY (CMS)

Representor 4349

23rd May 2017

SESSION 11 Safeguarding Strategic Assets and Resources

ACTION POINT 3 Redraft of Policy DM3 Landscape

1 The CMS is broadly in agreement with the extensive comments already provided by Mr Peter Ogden, the Director of CPRW. We therefore suggest only minor modifications as follows (with reference to page numbering in CPRW's text):

2 Page 6

Policy DMS – Landscape

Para 1 – add a reference to **scale** in list at final line

Para 2 - bullet point 5 – redraft to include emboldened text:

The special qualities of any **locally designated area or** adjacent **locally designated area** or adjacent protected landscape (National Parks and Areas of Outstanding Natural Beauty)

Bullet point 6 – add to end – after comma:

, whether as walkers, riders, cyclists or vehicle users, and with special reference to users of the road and PRow network, Open Access Land and Common Land
